

FDNR Range Monuments

Range Monuments

Palm Beach County Bathymetric Contours (2001)

-3m Contour

-5m Contour

Nearshore Hardbottom (2001)

Nearshore Hardbottom (1993)

Nearshore Hardbottom (1985)

Note: Bathymetric contour lines were derived from Palm Beach County sounding data collected perpendicular to each FDNR Range Monument. Therefore, bathymetry between range monuments has been interpolated based on the available data.
